

## Organizing using Feng Shui Principals

Hands on assistance with organizing the clutter and arranging your furniture using the principles of Feng Shui, creating energetic flow and efficient use of the space in all areas of your home or office. I will share ample Feng Shui ideas as we work and leave you with many cures to help harmonize your space. It is beneficial for the first organizational appointment to be least three to five hours as we will actually start making some shifts by arranging furniture or clearing out the clutter!
