

## Review of Floorplan Before Buying a New Home

Before you buy a new home, let's review the floor plan or walk through the home and discuss where the energy values are in the home. The first Feng Shui cure to consider is to not buy a home that will need a lot of Feng Shui fixing. Most issues are curable, able but they may be expensive like building or moving a wall! Allow me to help you make a wise decision before making one of the biggest purchases of your life.
