INSPIRED LIVING FENG SHUI

Through an interactive workshop, we'll explore how our surroundings influence our energy, creativity, relationships, and sense of well-being—and how small, intentional changes can make a meaningful difference.

LOOKING FOR SOMETHING FRESH, ENGAGING, AND A LITTLE OUT OF THE ORDINARY FOR YOUR NEXT GATHERING?

Bring the wisdom of Feng Shui to your workplace, retreat, conference, team-building event, or community gathering!

Participants will discover practical Feng Shui principles, explore the connection between their inner and outer worlds, and leave with fresh insights and simple tools to create more inspired spaces and lives.

With the practice of Feng Shui you will experience how different environments affect your nervous system.

Is it energizing your strengths or draining your energy?

While working on the floorplan of your personal or professional space, in this 2-hour intro to Feng Shui workshop, you and your guests will learn about the Bagua, the energy map that shows you where the good energy is buzzing around and where the negative energy may be clogged up.

Participants will discover practical Feng Shui principles, explore the connection between their inner and outer worlds, and leave with fresh insights and simple tools to create more inspired spaces and lives.

We'll also learn about the five elements.

Wood, Fire, Earth, Metal, Water

the same five elements used in Chinese Medicine which we find in nature, in our spaces, and in our bodies!

Treat your employees, colleagues, and guests to an inspiring introduction to the ancient wisdom of Feng Shui!

As we explore the nine life areas, each participant works on their own personal space, whether your office or your home.

Family, Wealth, Health, Helpful People, Children & Creativity, Knowledge, Fame, Career, and Relationship

Through hands-on activities and lively conversation, guests will discover how their surroundings may be supporting—or challenging—the life they want to live.

WORKSHOP INVESTMENT: $600

PERFECT FOR BUSINESSES, TEAM-BUILDING EVENTS, RETREATS, CONFERENCES, AND COMMUNITY GATHERINGS.

For more than twenty years, I've used the ancient wisdom of Feng Shui to help people create homes and workplaces world-wide that nurture their well-being, creativity and joy.

Today, I've expanded that work to include Soul-Centered Living and Spiritual Psychology, practices that invite us to look inward, explore the beliefs and patterns that shape our lives, deepen our connection to our authentic selves and discover how we might more fully express our unique gifts in the world.
